

Jamie's Journal

I had so much fun last Sunday with our FBCH family. As always Tom Conlon was a blessing for me to experience. His music along with the Lord's Supper made things very special for me. Seeing everyone here was a fantastic treat too.

I know I am redundant but it is so much better when we are together. It's just better when you're here than when you're not. Sunday School was a treat too. I have really enjoyed my time in Sunday School. If you are not actively involved in Sunday School, let me encourage you to give it a try. It is just a perfect compliment to worship. It's in Sunday School that your best relationships are built and some very special ministries happen. We have Sunday School for all age groups. It is so important as Christians that we find a regular place that we can worship, study, serve, and fellowship. Sunday School has always been a big part of meeting that need.

May God bless you as you bless others,

Jamie

This Month's Hope House Needs

- ❖ Toothpaste
- ❖ Soap
- ❖ Canned Chili
- ❖ Canned Vegetables

You are not limited to these items. You may still bring canned goods or nonperishable items. Our basket is always in the stairwell by the back doors if you would like to contribute at times other than the first Sunday of each month. This is a great opportunity for us to share God's blessings with others.

Sign Up Now! **Appalachian Outreach Mission Trip** **June 13 - June 18**

It's a great way to help someone in need and show the love of Christ! Sign up with your **\$25 Deposit by Monday, March 22**. This will leave a balance of \$300. Most, if not all, of that amount is usually covered by donations and fund raisers. There will be a dessert auction Sunday Evening, March 28 to raise money for the trip, so sign up now to participate.

Visions in Missions is still collecting for our missionary project in Chile. The lay leaders of a Korean house church she helped start needs resources in the Korean version called the Alpha C—an introduction to the Christian faith by a former atheist. The cost of the Alpha Course is \$180.00 and it cannot be purchased in Chile. We would love to be able to send two of these courses to her. These materials would enable the teachers to reach these people through the Alpha Course. Please look deep into your heart and give the gospel to these people seeking Christ! You may not be in a position to take a mission trip to another country, but you can be a vessel that God uses to lead others to salvation. Pray about this and follow what God wants you to do. You may leave your donation in the church office, give it to Denise Benton, Joan Brown, Sylvia Harvey, Sally Ellis or another member of Visions. Thank you so much for being a part of our team in missions and living the call to love!

THANK YOU!
 THANK YOU! THANK YOU! THANK YOU!
THANK YOU!

"Thank you" seems so inadequate for the faithful givers to the Clothes Closet ministry. But those two small words say so much. It shows we care and appreciate the \$100 that was donated to this ministry last week as well as the \$200 that was donated this week. May God bless you as you continue to show God's love as a cheerful giver. Thank you!

With love,
 The Clothes Closet Group

LAFF

Our LAFF group will be going to the Old McDonald's Fish Camp in North Augusta on Thursday, March 25 for supper. We will leave the church at 3:30 p.m. Please call the church office or one of the LAFF Committee members to make reservations.

New Worship Experience **Sunday, March 7** **7 p.m. in the Social Hall**

This is a worship experience that has never been done at our church before. It will not interfere with, or change the current worship service at all. Qualities of this experience that will stand out the most will be the music, video, volume, casualness, intimacy, and the time. Of course everyone is welcome but honestly not everyone will enjoy it. If guitars and drums do not rank among your favorite instruments you will probably want to sit this one out.
